CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

South Bay Bridge Opened To Traffic

The new concrete two-lane highway bridge over the North New River Canal on SR80 in South Bay is almost completed. Traffic has been flowing over the bridge in recent days. Approaches have been graded and tarred, ready for the final top coat.

The bridge railings are being installed and all steel parts painted. The bridge has a pedestrian walk on each side.

Clary Brothers of West Palm Beach, contractor, started work in June on the bridge and one at Lake Harbor over the Miami Canal on SR 80. Work on the Lake Harbor bridge is also being pushed.

A row of royal palms on each side of the highway between the bridge and City Hall had to be moved to permit widening of the approaches.

When both bridges are completed the last of the four onelane wooden Glades bridges on main highways, which for so many years formed a bottleneck and hazard to traffic, will have been replaced by modern concrete two-lane bridges capable of carry traffic at normal speeds.

The bridge over the West Palm Beach Canal at Canal Point was the first of the four to be completed and dedicated. It was opened to traffic in May. The recently opened new bridge at Six-Mile Bend on SR 80 was under construction for a year and a half. The old bridge was the scene of many accidents and deaths. The Hillsboro Canal was changed in its course to eliminate the sharp curve at that point. It is now opened to traffic and will be completed soon.

Schools To Plan World Day Prayer

The Pahokee High School Senior Class is making plans to present a special program in the high school auditorium Friday afternoon, Feb. 25, in observance of annual World Day of Prayer. Thomas Kubeck, faculty sponsor of the Senior Class, will assist in arrangements for the program which this year will have as its theme, "Abide in Me", John 15-4.

Pupils of the Pahokee Elementary School also have tentative plans for a World Day of Prayer program entitled, "Children, Keep My Commandments."

The World Day of Prayer programs are sponsored annually in this community by the Pahokee First Methodist Woman's Society of Christian Service in cooperation with all other church units. The public is invited.

Lease Tiny Diner

Mr. and Mrs. Roy Browning have leased The Tiny Diner between the FEC and the USSC railroad tracks on Canal Point Road from Mrs. Lily Chance and took over management of the diner, as well as the beer parlor located a short distance south of the diner, on Monday. Mrs. Chance, who is retiring from the restaurant business in the interest of her health, will continue the management of her trailer court north of the diner.

Traffic Safety Topic Before Pahokee Lions

Pahokee Lions at their Tuesday luncheon meeting heard a talk on "Traffic Safety" by Trooper Jack E. Walden of Fort Lauderdale who substituted as guest speaker for Walker D. Oliver, safety education director for Troop E of the Florida Highway Patrol. He was introduced by Billy Mitchell who was in charge of program arrangements.

Wallace N. Mullis was received as a new member, with Frank Rozelle in charge of his induction into Lionism.

The club's program for Feb. 8 was assigned to Jerry Gold and for Feb. 15, to Frank Rozelle.

AUDIOMETER TESTS

The Beta Omicron Chapter of the Beta Sigma Phi Sorority has been sponsoring a series of audiometer tests of third grade pupils at the Pahokee and Canal Point Schools, these tests being one of the chapter's projects for the year, according to Mrs. Jack Phillips, president.

Larrimore Road Gets Retread Job

Larrimore Road in Pahokee, leading from the Pure Oil Station to the State Market Road, was retreaded this week by Rubin Construction Company, according to County Commissioner Paul Rardin under whose direction the work was done.

The road was built several years ago when Commissioner Rardin first took office and has served remarkably well for a county-built farm road. Ten extra feet of right-of-way was purchased a few months ago on the south side of the road so that the shoulder could be widened.

County forces were used on Thursday and Friday of this week to rework the shoulders after they had been peeled back to allow for the retreading job.

SPAGHETTI SUPPER

Members of the Young Adults Training Union of the Canal Point Missionary Baptist Church will hold a spaghetti supper party at the home of Mr. and Mrs. Charles Maxson this Friday evening at 8 p. m.

Auxiliary Worker Official Visitor

Mrs. Alice Sullender of Lake Worth, Ninth District president of the American Legion Auxiliary, was an official visitor at a joint meeting of the Pahokee and Canal Point American Legion Auxiliaries in the Legion Hall at Pahokee Tuesday night. Introduced by Mrs. Betty Holman, president of the Pahokee unit, the speaker reviewed the work achieved by the units in her district during the past several months and outlined goals of achievement for the future.

Mrs. Ella Hewell, president of the Canal Point Unit, and Mrs. Ben Rogers, a member, pinned corsages on Mrs. Sullender and Mrs. Laverne Bevington, Ninth District secretary, who accompanied the district president to Pahokee, as they arrived at the meeting. The two district officials also received gifts from both units.

Lampi Selects 15 For Band Contest

Bandmaster Robert O. Lampi has chosen 15 members of the Pahokee High School Band to participate in a high school band reading clinic to be held at Moore Haven High School this Friday afternoon from 1 to 5 o'clock, when selected band students from seven schools in this area will form a clinic band to play 1955 contest music and some of the newest releases in band music, the printed sheets for the music to be furnished by the Lyons Band Instrument Co.

Class C and CC bands from seven high schools of the Lake Okechobee and adjacent West Coast area will be represented at this special band clinic, which is the first of its kind ever conducted in this area, according to Mr. Lampi. These schools include Okechobee, Pahokee, Belle Glade, Moore Haven, LaBelle, Punta Gorda and Venice-Nokomis.

The 15 PHS band students who will accompany Mr. Lampi to the clinic are Rose Marie Henderson, Judy Starling and Jill McIlwain, clarinets; Judy Shackford, alto clarinet; Lory Ann Rockwell, bass clarinet; Fred A. Blakey, cornet; Mickey Ryall and Joyce Lynn Hurt, French horns; C. Friend, flute; James Stamp, euphone; Donna Lee Upthegrove, baritone saxophone; Phoebe Anne Ramey, tympani and bells; Sandra Lampi, oboe; Jimmy Schoepel, sousaphone, and Chuck Elliott, snare drums.

Scout Birthday Is Being Recognized

We salute the Boy Scouts of America on its 45th birthday to be observed during Boy Scout Week, Feb. 6-12, and we are proud of the present vigorous status of the Canal Point Boy Scout Troop 24 which during the past two years has developed into one of the outstanding troops in the Gulfstream Council under the able and dynamic leadership of its scoutmaster Phelix A. Slonaker.

Since its founding in 1910 the national organization has enriched the lives of over 22,750,000 boys and adult leaders. Truly Scouting represents a living cross section of American Life.

Boys of every race, religious and economic background are attracted to Scouting. Today there are 2,700,000 boys in its ranks. Add to that impressive figure the 960,000 adults of good character who give generously their time and talents to serve as leaders of units, counselors and so on. There is hardly an American family that has not felt the influence of Scouting.

Dr. Arthur A. Schuck, Chief Scout Executive, feels it is of vital importance to train the boys of today to be ready for positions of leadership as they grow to manhood. "Strong character, participating citizenship and physical fitness," he says, "are needs of our boys and young men who are served by the program of Scouting in cooperation with the home, the school, the church and other community institutions actively interested in training our future citizens."

Scouting's purpose, as stated in (continued on page 8)

Ridgecrest Gardens To Open In Pahokee

Pahokee Builders, Inc. has started preliminary work in the development of its new Ridgecrest Gardens subdivision located between Larrimore Road and East Main Street in the vicinity of the Episcopal Church of the Holy Nativity.

The streets of the new subdivision have been surveyed and two are now receiving the first layer of rock. Robert J. Schroder, city waterworks superintendent, also started this week preliminary work for the extension of the city's waterworks system into Ridgecrest Gardens.

AUXILIARY MEETS

Members of the Canal Point American Legion Auxiliary met at the home of Mrs. Hulda Wilson Tuesday for a work day to make comfort articles for patients at the VA hospitals in the State. Mrs. Ella Hewell, president, presided at a brief business session.

New Sub-Division For Canal Point

Work on streets in the new U. S. Sugar Corporation sub-division in Canal Point is underway this week. Drainage ditches and culverts have been put in and the streets are being readied for black topping within the near future.

The Sugar Company tract lies to the east of the present Canal Point Townsite and will contain 20 large lots—100x102½—with five rows of houses four in a row. The subdivision is being built primarily for employees of the Sugar Company and they will have first choice when it comes to sale of the lots.

It is possible that after all employees have had their choice that some of the remaining lots—if there are any—will be offered to others than those who work for the company.

TO PLAY TROJANS

The Pahokee Blue Devil basketball squad will play the Lake Worth Trojans in a double header on the local court this Friday night and will travel to the East Coast on Tuesday night, Feb. 8, for a return engagement with the Seacrest Seahawks.

David W. Ramey Is Graduated By U of F

David W. Ramey received a bachelor's degree in electrical engineering from the University of Florida at the mid-year graduation exercises held in the U of F gymnasium, Gainesville, Saturday night. His mother, Mrs. George Ramey and sister, Miss Phoebe Anne Ramey, were present to see him graduate. He is now spending two weeks with his parents in Pahokee before induction in the U. S. Army.

ATTENDS AG MEET

Loren O'Neill, Pahokee High School agricultural instructor and FFA advisor, attended a recent meeting of ag instructors of the district in Belle Glade. It was decided at the meeting to conduct the annual sub-district Future Farmers of America contest at Moore Haven April 22 and the district contest at Sebring May 6.

Engineers Remove Unsightly Grass

The U. S. Engineers have moved a dragline on to the Lake Okechobee levee at Canal Point and it is now engaged in the removal of the rank growth of napier grass that has covered the land side of the levee in this area during the past few years, according to a report given, at the dinner meeting of the Canal Point Lions Club Monday night. The Lions, in cooperation with the Gardenia Garden Circle and other civic groups, have been trying for some time to get the U. S. Engineers to remove the napier grass from the levee in this area.

Resembling wild cane or bamboo in appearance, it grows in massive clumps several feet in diameter with stalks reaching upward 10 feet or more in height. Because of its prodigious rate of growth and high protein content, it is highly rated by some cattlemen as a green feed for their cattle but it is a pest when it becomes established in fields used for crops. Local civic groups wanted the grass removed from the levee because of its unsightly appearance and also because it constituted a constant source of seed that becomes scattered over nearby farm lands. At the present time the dragline is removing the grass on the stretch of the levee north of the West Palm Beach Canal.

Gene Watts reported the tail-twister's fund for the month of January, which the club is donating to the local March of Dimes drive, totaled approximately \$30.

Plans were made for a ladies' night program Monday evening, Feb. 21, when several members of the Pahokee High School Glee Club will present a musical program. O. H. Sheppard will be in charge of program arrangements.

President Osceola Upthegrove called upon chairman of standing committees for reports of club activities during January.

Canal Point Scouts Are Advanced

The Canal Point Boy Scout Troop 24 received 11 out of the 14 advancements granted by the Glades District Court of Review of the Gulf Stream Council, BSA, in session at the Belle Glade school Monday night.

The board approved applications for advancement to Larry Livingston, Wayne Browning, Leroy Anderson and Jimmy Eagle, to Star Scout rank; Boyd Voorhes, Jr., Willie Veal, Johnny Yoemans, Warren Repper, Scoutmaster Phelix A. Slonaker and Assistant Scoutmaster C. L. Livingston, to Life Scout rank; and Kenneth Williamson, to Explorer Scout rank. During the past year every member of Troop 24, has been advanced in rank one or more times, according to Scoutmaster Slonaker.

In observance of annual Boy Scout Week, Feb. 6-12, Troop 24 will participate in the all-day Glades District Mock Camporee at Belle Glade Saturday, Feb. 5, and will also take part in the District Court of Honor to be held in the Belle Glade high school auditorium that night when Troop 24 members, Bobby Flowers and Bange Eagle, (continued on page 8)

Cinematic Chatter

By Malcolm Millar

Hello everybody! One of the newer stars to burst on the Hollywood horizon, Grace Kelly promises also to be one of the most unusual, for she is a product of a Philadelphia finishing school and has already played opposite some of the most important stars in filmdom. Not the least of these is Clark Gable with whom she made "Mogambo", seen here recently, and in which she tied with Ava Gardner for the love of the great star. Before that lovely blonde Miss Kelly had made her debut in "High Noon" opposite Gary Cooper which won that screen luminary an Academy Award. To-day Grace Kelly has added Ray Milland and Robert Cummings to the list of top male stars with whom she has appeared. The 25-year-old Grace, tall and blue-eyed, was born in Philadelphia, the daughter of a prosperous building contractor. She attended school at Raven Hill Academy and Stevens School. After that, she was stricken with a fierce desire to be an actress, so she enrolled in New York's Academy of Dramatic Arts, where she spent two years learning the techniques of acting. To-day, Grace is one of the most sought-after actresses in Hollywood. See you at the movies—Mal.

Three New Events At State Fair

TAMPA—Addition of three new major youth events will give the Florida State Fair, Feb. 5 through 19, its greatest youth program in history, according to Manager J. C. Huskisson.

The West Coast Dairy Show, a wine State Fair 4-H and FFA event, will be held opening day, Feb. 5. This contest, open to entry of daily females only, is sponsored by the Greater Tampa Association of Commerce, in cooperation with the Fair.

Another big new youth attraction will be a Fat Stock Show and Sale, opening Feb. 10 and closing Feb. 12. Prizes totaling \$800 are offered 4-H Club, FFA and adult contestants. This new youth show also is sponsored by the Greater Tampa Chamber of Commerce, co-operating with the Fair.

The third new youth event will be a Youth Rabbit Show, lasting the entire fair. A big entry of leading meat, fur and wool breeds is predicted. The second annual Junior Poultry Show also is expected to attract a big entry.

Receives Degree

William Burks (Bill) Shirley, son of Mr. and Mrs. C. L. Shirley of Pahokee, received a bachelor's degree in civil engineering from the University of Florida at the mid-term graduation exercises Saturday night. He also has a BS degree in mechanical engineering, earned previously at U of F. Mr. Shirley with his wife and two daughters, Marilyn and Claudia, have moved to Fort Walton, Fla., where he is employed by an engineering firm.

Lt. Claude Leland Shirley, Jr., who spent three weeks in Pahokee visiting his parents, Mr. and Mrs. C. L. Shirley, while on leave from the U. S. Air Force, has reported back for duty in the USAF and is now stationed at the Ardmore Air Force Base in Oklahoma.

From where I sit... by Joe Marsh

A Winner Every Time!

Last Friday at our big basketball game with Centerville I sat next to a fine-looking old man. Centerville had things their way the first half — and he cheered every score they made.

But our boys began to catch up. Then Strutch Brown put us in the lead with a long set shot, — and I noticed that the old fellow was now rooting for our side. "What team are you for, anyway?" I demanded.

"Neither," he replied. "I've got my own team. I figure any kid that does a good job out there

is on my team. Root for the individual like I do — and you'll always back a winner!"

From where I sit, maybe it is a good idea to keep our eye on the individual, instead of automatically grouping him on teams you're "for" or "against." We're all individuals at heart, with our likes and dislikes — our right to prefer tea to coffee or beer to buttermilk... our right to "blow the whistle" when anyone tries to regiment us.

Electric Refrigerators Prove Their Efficiency in New Comparative Tests

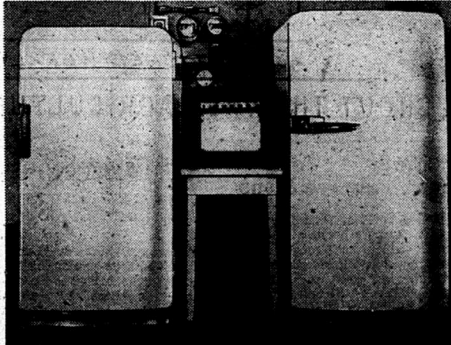

By JANE BAIRD

Mechanical refrigeration is common to nearly all farm homes today. And, many hundreds of thousands with electric service use their electricity to operate refrigerators. Others may use bottled gas.

The problem of which is the more

The facts in this publication are based on actual comparative utilization efficiency tests of the products mentioned.

In the refrigerator engineering tests both 6- and 9-foot electric and bottled gas refrigerators were used. Each had across-the-top frozen food

Here is the test setup for refrigerators—one electric and one LP gas—at Agricultural Research Center, Beltsville, Maryland.

efficient—electric or bottled gas refrigerators—has involved us in some friendly discussions with a few of our rural neighbors. But now we think they're convinced since reading a bulletin published by the Housing and Equipment Section, Home Economics Research Branch, of the U. S. Department of Agriculture. For, like most of us living in the country, the Department of Agriculture is the "last word" when it comes to being an unbiased and truthful source of information.

The bulletin we're talking about is entitled "Technical Bulletin No. 1073—Comparative Utilization of Energy by Household Electric and Liquefied Petroleum Gas Ranges, Refrigerators and Water Heaters."

compartments. Tests were conducted in a constant temperature room where temperatures could be maintained at 70, 90 and 110 degrees Fahrenheit. Then, results obtained from the studies which most nearly matched year-round operations of household refrigerators were used in determining relative efficiencies between the two types.

The bulletin recorded that electric refrigerators used an average of 3,744 heat units (Btu) per day, whereas bottled gas refrigerators used an average of 43,556 Btu per day. In figuring utilization efficiencies on that basis, our rural friends now agree that electric refrigerators are more efficient than bottled gas refrigerators by a ratio of 11.6 to 1.

Carol City Expects To Place Florida In Fourth Position

MIAMI—A prediction that Florida will jump to fourth position in the nation in home building has been made by Julius Gaines, president of Gaines Construction Company, south Florida home builders. Gaines, who is building Carol City, the 10,000-home suburban Miami development where houses are priced at builder's cost, made his prediction after a tour of major housing projects in Florida. The greatest increase, according to Gaines, would be in the Greater Miami area with a 25 per cent jump to 20,000 homes in 1955.

Florida, sixteenth in population, ranked sixth in urban home building with 28,812, according to latest official figures for 1953. A jump to fourth place in 1955 would allow the Sunshine State to fall in right behind California, Texas and New York. Gaines estimated that 40,000 homes would be started in Florida during the coming year.

Building Miami's largest suburb, where 1,462 houses were sold in the first eight days of operation, presents a firm basis for Gaines' optimism. With an operation schedule presented by nationally-known city planners, Carol City is composed of a comprehensive system of roads and canals as well as site for centrally located shopping centers, schools, churches and a 170-acre public recreation area.

"If Florida continues its present rate of growth," Gaines added, "it will soon pass New York and Texas in total new home construction. Now that Florida's West Coast is opening up, we can look forward to doubling our population in the next decade."

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Honeymooners Spend Big Sums In Miami

MIAMI — A recent nation-wide survey conducted with the aid of newly married couples came up with the astounding fact that honeymooners are spending from \$300 to \$1,000 for trips lasting one to four weeks. And it seems that Florida is one of the most popular choices of those celebrating the entrance into wedded bliss.

Much interest is being created throughout the sunshine state in regard to the establishment of Florida as a more logical honeymoon area than Niagara Falls. Hotels, motels, attractions and chambers of commerce are entering the 1955 season with a definite pitch to the newlyweds in their advertising campaigns.

Delta-C&S Airline, in conjunction with Guide for the Bride magazine, staged a very successful honeymoon package-type promotion campaign last year that brought hundreds of newly married couples into the Gold Coast area. Other programs of a similar nature will be staged throughout the coming winter season.

Gets Bachelor Degree

Dennis Wilson, son of Mr. and Mrs. F. M. Wilson of Canal Point, received a bachelor's degree in business administration from Florida State University at the mid-term commencement exercises in Tallahassee Saturday. For the present time Mr. Wilson and his wife plan to continue making their home in Tallahassee. He is employed by the Bulkley-Newman Printing Company of that city.

WHICH ONE DO YOU WANT?

you can have your dream house—this easy way:

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan: Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save *systematically* on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved for you, *before* you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now *grows* to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan.

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save...	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save...	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is: start your Plan today!

Christian Science Group Of Canal Point

Man's universal right to spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Spirit" at Christian Science services Sunday.
Scriptural selections to be read from the King James Version of the Bible will include the account of Phillip's baptizing of the Ethiopian eunuch as recorded in Chapter 8 of The Acts of the Apostles.
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (241:27): "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual Life and its demonstration."
The Golden Text is from I Corinthians (12:13): "By one Spirit are we all baptized into one body, whether we be Jews or Gentiles whether we be bond or free."

Street and traffic noises often account for much of the noise in a "noisy" household, says June Cabot, home arts consultant for Libbey-Owens-Ford, who points out that double-pane insulating glass in the windows will admit 44 per cent less outside noise than a single thickness of glass.

Mickey placed sixth at the road-eo and David Morris of Belle Glade High School, also one of Mr. Slaughter's students in driver education, was fifth.

Paul Rogers Named To Works Committee

Congressman Paul Rogers has been placed on the important Public Works Committee of the U. S. House of Representatives. Florida has long sought membership on this committee since it has jurisdiction over subject matters vital to the state of Florida. The Committee on Public Works concerns itself with flood control, rivers and harbors, the federal road program and public buildings including post offices, custom houses and federal road program and public buildings including post offices, custom houses and federal court houses, as well as jurisdiction over the lease-purchase arrangements to secure such buildings.

Rogers stated, "I am pleased to have been placed on the Public Works Committee because I feel that I can do great service for the Sixth District of Florida as well as for other districts in the state."

The Florida Delegation was very helpful in securing this assignment for Rogers. Congressman Syd Herlong of Florida is on the Ways and Means Committee which makes selections for the Democratic side of the House.

Many problems of the Sixth District fall under the direct control of the Committee on Public Works. Rogers will begin immediate service on the committee.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, strength is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

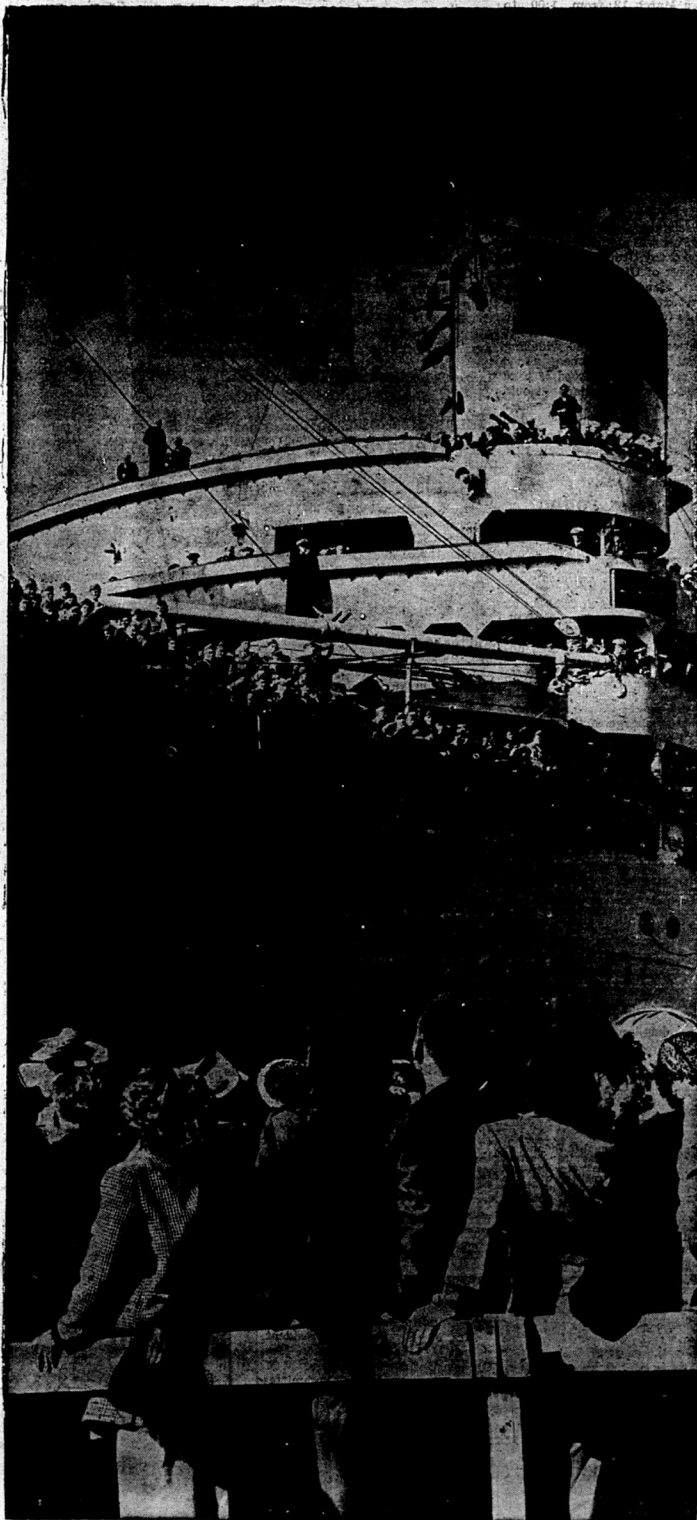

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$26—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Palm Beach County Fair Set March 5-12

The 10th annual Palm Beach County Fair, set for March 5, through March 12, from 1:00 to 10:00 P. M. daily will again present the continuing progress of the county's economy, with added special emphasis on the agricultural phase of this tremendous growth, according to Lamar Allen, Fair Director.

Following a recent special meeting of the Fair planners called to arrange for tentage due to exhibitors' demands, Fair President, W. A. Rutwel, Sr. announced that a new and enlarged area would be headed by County Agent, M. U. Mounts and Assistant, John Causey.

The Fair will again be located on the Speedway Grounds on SR 80, 8 miles west of US 1 and 1 mile east of SR 7. Manager Allen in his announcement pointed out that all approaches to the Fair grounds are in excellent condition this year due to completion of the SR 80 widening and that this improvement added to the more than 18 acres of hard surfaced parking space would make comfortable and easy access to all county wide exhibitors and to the anticipated record breaking crowds attending the 8 day 1955 County Fair.

Will Break Ground For New Church

Episcopalians from Canal Point, Pahokee and other towns on the Lake are expected to attend ground breaking ceremonies at 3:30 P. M. next Sunday for the Church of St. John the Apostle, Belle Glade. The Belle Glade congregation was admitted as a mission in the summer of 1953 and morning services began that Fall in the Women's Club building. Father Clarence Petrie, formerly in charge of the work at Pahokee and Canal Point is vicar of Belle Glade church.

Scout Birthday Is—

Continued from page 1
The Federal Charter granted by Congress in 1916, is to promote the 'ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues.

Every member of the nation's 95,000 Scouting Units is indeed having some kind of experience that is adding to his equipment to meet the problems of adult life.

Canal Point Scouts—

(continued from page 1)
will be advanced to second class rank.

Members of Troop 24, as a body, will attend Sunday, Feb. 6, the morning worship service at the Canal Point Missionary Baptist Church and the evening service at the Canal Point Methodist Church. Monday night Troop 24 will present a program on scouting at the diner meeting of the Canal Point Lions Club in the Community Hall.

Many In County Get Welfare Help

Thomas E. Penick, Chairman of the District Board No. 10 of the State Department of Public Welfare, reports that in Palm Beach County 3,337 persons were assisted in the three categories of public assistance for the month of January, 1955.

A total of 1,564 persons received Old Age Assistance to the amount of \$68,551.00. 78 persons received Aid to the Blind, totaling \$3,759.50. 435 families, representing 1,335 children received Aid to Dependent Children in the amount of \$24,514.50.

In addition, 186 children received service during the month, 28 of whom were in foster homes, and three were runaways. The total State and local cost for these child welfare services was \$1,469.36.

There were 11 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the Court.

Palm Beach County is also represented on the District No. 10 Board by Doyle Morgan, Delray Beach; Mrs. Doris Sasser, Pahokee; Mrs. Helen Woodward and Mrs. Lucille Turnage, West Palm Beach.

"Under Three Flags" Is Mission Study

Members of the Canal Point Methodist Woman's Society of Christian Service at a meeting at the home of Mrs. Rachel Harrington Tuesday night voted to conduct an all-day study of its new mission book, "Under Three Flags," Thursday, Feb. 24, at the home of Mrs. Frank M. Wilson, with Mrs. Boyd Voorhes to serve as leader.

The group also voted to attend as a WSCS unit the World Day of Prayer observance program to be presented by the Pahokee High School Senior Class in the high school auditorium Friday, Feb. 25.

Mrs. J. P. Parker, president, named Mrs. A. R. Harrington, Mrs. Osceola Upthegrove and Mrs. F. M. Wilson on a nominating committee to recommend a new slate of officers.

Plans were made to send a delegation of four or five members, headed by Mrs. Parker, to the West Palm Beach District conference of the WSCS to be held at the Calvary Methodist Church, Lake Worth, Feb. 9.

Mrs. W. E. Johnson presented the program which had as a theme, "New Ventures on Old Roads."

PERFECT ATTENDANCE AWARDS PRESENTED

Members of the Canal Point Methodist Church School who have records of perfect attendance for the past year will be presented with perfect attendance pins during the school period Sunday, Feb. 6, according to Mrs. Oliver Hatfield, superintendent of the school.

Millionth Telephone By Southern Bell

Florida's independent and Bell Telephone industry Wednesday presented Governor LeRoy Collins with a specially inscribed instrument commemorating installation of the one millionth telephone in the state.

Florida now has more telephones than any other state in the South-east and ranks 14th in the U. S. in total telephones.

Governor Collins selected a red instrument to match the upholstery of his desk chair. The telephone is decorated with the seal of state in the center of the dial. Two engraved plates proclaim it to be symbolic of the millionth telephone installed.

On hand for the ceremony this morning in the Governor's office were J. N. Johnson, president of the Florida Telephone Association and General Manager of the Inter-County Telephone and Telegraph Company at Fort Myers, who made the presentation; Elsie C. Stone, manager of the Southeastern Telephone Company which serves Tallahassee; Claude J. Yates, Jacksonville, Southern Bell Telephone and Telegraph Company general manager; Wilbur King, chairman of the Florida Railroad and Public Utilities Commission; and Earl W. Brown, president of the Florida State Chamber of Commerce.

Maurer - Wright

Announcement has been made of the marriage of Patricia Alice Maurer (Patsy), daughter of Mrs. Clara Maurer of Canal Point and L. W. Maurer of Palm Beach, to T-Sgt. John C. Wright, son of Mr. and Mrs. Sam E. Wright of Las Vegas, Nevada.

The wedding took place Saturday, January 29 at Valdosta, Ga. Judge Thomas Holcomb, Jr. officiated at the ceremony.

Mrs. Wright is a senior at Pahokee High School. T-Sgt. Wright is stationed at Canal Point with the 15th Crash Rescue Boat Flight.

Mr. and Mrs. Wright will be at home in Canal Point.

BPW Club Discusses State Meeting

The Pahokee Business and Professional Woman's Club at a meeting at the home of Mrs. Mildred Lavender Tuesday night discussed plans for the annual State Convention of the Florida B&PWC Federation which is to be held at the Colonnades Hotel, Riviera Beach, in May a definite date for the three-day convention yet to be set.

It was announced the Pahokee and Belle Glade Clubs, together with the other B&PWC units of District 8, will be co-hostesses at the convention. Mrs. Johnnie Davis, president, presided at the business.

Vann - Putnal

Mr. and Mrs. Lewis P. Vann of Pahokee announce the engagement of their daughter, Miss Thelma Vann of Sarasota, to LeRoy Putnal, son of J. L. Putnal and Mrs. Sammy Mills, both of Sarasota.

Miss Vann is a graduate of Pahokee High School, Class of 1953, and for the past 18 months has been employed in the offices of the City Water Department at Sarasota.

Mr. Putnal is a graduate of the Sarasota High School. He served for three years in the U. S. Marine Corps with part time overseas duty. Wedding plans will be announced later.

DISCUSS PAHOKEE FAIR

Members of the Pahokee American Legion Post 90 devoted most of their time during the regular weekly meeting in the Legion Hall Monday night in discussing preliminary plans for the Pahokee Fair which they plan to sponsor in March. Paul Collier is chairman of the Fair committee in charge of arrangements. President A. E. Funderburk presided.

Governor Collins has asked the State Racing Commission to make plans to present legislation at the next session to increase the state's share from dog racing revenue.
